DISCOUNTS

A. GENERAL

1. Upon approval of the proper official of the Telephone Company, the classes of customers specified below are allowed the discount indicated from the regular monthly rates for flat rate, message rate or optional Measured Services and flat rate, message rate or measured rate private branch exchange trunk lines, and flat rate or message rate ESSX-1 network access registers. (C)
| (C)
2. Discounts are not allowed on any service or equipment not specifically covered in the preceding paragraph.
3. Applications for joint user service are not accepted in connection with service at a discounted rate, unless the joint user, if an exchange service customer, would be entitled to a discount.
4. The discount in connection with message rate or optional measured service applies on the amount of the stated monthly rate but not on charges for local messages or usage. The number of messages or usage allowed each month is the same as would be allowed under the contract if the discount did not apply. (C)
| (C)
5. For additional regulations applicable to telephone service furnished employees, reference "EMPLOYEES" following.

B. MUNICIPAL, COUNTY, AND STATE DEPARTMENTS

1. A discount of 20 percent from the regular nonresidence rate is allowed to municipal, county, and state departments, and branches thereof, having the qualifications indicated below. The service must be located in the administrative offices of the department or branches thereof, and used exclusively for municipal, county, or state governmental purposes.
2. A municipal, county, or state department, or branch thereof, in order to qualify for the discount, must be engaged in a governmental function, and must derive its principal support from taxes levied by a municipality, county, or state. Municipal, county, or state Departments, or branches thereof, engaged in non-governmental functions of a character similar to private business enterprises, and which do not derive their principal support from taxes levied by a municipality, county, or state, do not qualify for the discount.

DISCOUNTS

C. PUBLIC SCHOOLS

1. A discount of 20 percent from the regular nonresidence rates is allowed to municipal, county, and state public schools of the character indicated below. The telephone service must be located in a school or in the administrative offices thereof and used exclusively for school purposes.
2. A public school, in order to qualify for the discount, must be an elementary school, high school or college providing a curriculum of studies customarily afforded in a public school, which derives its principal support from taxes levied for school purposes by a municipality, county, or state and to which enrollment is open to the public generally.

D. EMPLOYEES

1. General

- a. Service furnished to active and retired employees hereunder must be located in the residence of the employee and use thereof must be restricted to the employee and members of his immediate family.
- b. One-time charges related to installations of central office services are not applicable to service furnished to employees hereunder.

2. Active Employees With More Than Six (6) Months of Service

A discount from the regular residence local exchange service rates is allowed to active employees with more than six (6) months of net credited service. A forty (40) percent discount applies to all residence local exchange services including: basic exchange service, miscellaneous Central Office services and additional directory listings. A twenty-five (25) percent discount applies to products offered for sale. (C)

DISCOUNTS

D. EMPLOYEES (Continued)

3. Active Employees With More Than Thirty (30) Years of Service and Retired Employees

Appropriate residence local exchange service and a reasonable amount of toll service is furnished without charge to active employees with more than thirty (30) years of net credited service and to retired employees receiving a service or disability pension.

4. Company Service

Access lines are furnished without charge at the residences of certain active employees whose duties require that they be accessible to call when the Telephone Company considers the service essential to its operations. Other services are provided at the discounts stated in D.2. above.

E. BROADBAND CONNECT SERVICE

1. A discount of 20 percent from the regular Broadband Connect Service rate is allowed to those institutions which are chartered by the State Board of Education pursuant to Kentucky Revised Code, as well as, two year and four year colleges accredited by the State Board of Regents.
