TELECOMMUNICATIONS SERVICE PRIORITY (TSP) SYSTEM

(N)

- A. The TSP System is a service, developed to meet the requirements of the Federal Government, which provides the regulatory, administrative and operational framework for the priority installation and/or restoration of National Security Emergency Preparedness (NSEP) telecommunications services. Priority installation and/or restoration of NSEP telecommunications services shall be provided in accordance with part 64.401, Appendix A, of the Federal Communications Commission's (FCC's) Rules and Regulations.

Regulations, rates and charges are as specifies in FCC No. 35, Access Service Tariff, Section 10.
