TOLL RESTRICTION

A. GENERAL

Toll restriction is a central office service arrangement whereby calls dialed over residence and nonresidence lines or trunk lines, to other than the local toll free service area, receive a recorded restriction announcement.

B. REGULATIONS

1. Toll restriction is offered from only the selected offices where the Telephone Company has arranged the facilities for that service, and is furnished subject to the availability of facilities.
2. Toll restriction will not allow 1+, 0+, 0-, 900, or 700 calls.
3. Subscribing to toll restriction does not relieve customers of responsibility for calls charged to their telephone number(s).
4. Toll restriction does not provide restriction of nonchargeable calls to numbers, such as repair service, public emergency service (911), or 1+800 calling.
5. Toll restricted lines will not have dial access to Telephone Company operators.
6. Toll restricted will not be provided on Public, Semi-Public, COCOT or coinless service.
7. The Company shall not be liable to the customer or any other person or entity for damages of any nature or kind arising out of, resulting from, or in connection with the provision of the service, including without limitation, the inability to access the operator or any non toll free number for any purpose.
