All of the Company's exchanges have been deemed competitive and have been accorded the pricing flexibility defined in 4901:6-14 (C) O.A.C. which caps BLES monthly rates at annual increases of no more than \$1.25 per line. The annual period is defined to begin on the anniversary date shown in part C of this section.

2. Use of BLES

BLES, as distinguished from pay telephone service lines, is furnished only for use by the customer, the customer's family, employees or representatives, persons residing in the customer's household, or guests of the customer, except as the use of the service may be extended to:

Patrons, as opposed to tenants, of the customer where the use of the service by the patron is incidental to his patronage of the customer, provided no charge is made by the customer for such use.

Patrons of the customer, and to the public in general, in connection with Automatic Dialing Telephone Units arranged for the origination of calls only to preselected telephone numbers.

Another party on a different premises, to provide for the answering of calls during the customer's absence. Such a termination is furnished only with the understanding that outward calls are not to be placed from it, and on the condition that use of separate exchange service is available to the other party on the same premises.

The Company will refuse to install customer service, or to permit such service to remain on premises where the equipment is located so that the public in general, except as stated in this Part B.2., may make use of the service.
